

SMMR Annual Conference: Agenda

9-11th May 2022

Mercure Holland House Hotel, Bristol

Monday 9th May	
12:30-13:30	Registration and lunch
13:30-14:15	<p>Welcome session</p> <ul style="list-style-type: none"> Conference welcome Professor David Paterson and Dr Mark James (SMMR Champions) Keynote speech Sir Ian Boyd (University of St Andrews, Chair of the SMMR Strategic Advisory Group) Keynote speech Sarah Adcock (Deputy Director for Evidence, Funding & Ocean Sustainability Strategy, Defra)
14:15-15:15	<p>SMMR-funded projects: Updates and opportunities for collaboration (part 1) <i>Hear more about the aims and outputs of the six SMMR-funded projects - current work, future plans, and exploring novel synergies.</i></p> <ul style="list-style-type: none"> Resilience of Coastal Communities (ROCC) Louisa Evans (University of Exeter) Pyramids of Life: Working with Nature Jon Pitchford (York University) Marine Spatial Planning Addressing Climate Effects (MSPACE) Ana Queiros (Plymouth Marine Laboratory)
15:15-15:45	Coffee break and networking
15:45-16:45	<p>SMMR-funded projects: Updates and opportunities for collaboration (part 2) <i>Hear more about the aims and outputs of the six SMMR-funded projects - current work, future plans, and exploring novel synergies.</i></p> <ul style="list-style-type: none"> Restoration of Seagrass for Ocean Wealth (ReSOW) Claire Evans (National Oceanography Centre) Co-benefit Solutions for Resilient Coasts (Co-Opt) Laurent Amodry (National Oceanography Centre) Integrating Diverse Values into Management Steve Fletcher (University of Portsmouth)
16:45-17:00	Wrap up of Day 1
19:00-19:30	Pre-dinner drinks
19:30-21:30	Conference dinner (Mercure Holland House Hotel)

Tuesday 10th May	
09:00-09:30	Registration
09:30-10:15	<p>Session 1 (part 1): Understanding the values of the marine environment</p> <ul style="list-style-type: none"> • <i>Diverse values for marine and coastal management</i> Tim Acott (Greenwich University) • <i>Quantifying the capacity of the oceans to support human needs</i> Murray Thompson (Cefas) • <i>Leaving no-one behind: understanding the relationship that a marginalised coastal community has with the ocean to engender more inclusive access to the benefits and protection of the marine environment</i> Lindy Brown (Plymouth University) • Panel Q&A
10:15-11:15	<p>Session 1 (part 2): Understanding the values of the marine environment</p> <ul style="list-style-type: none"> • <i>'Stopping to admire the view' a social media approach to how parks and the coast are represented in Plymouth</i> Eva McGrath (Plymouth University) • <i>Marine citizens or marine people?</i> Pamela Buchan (University of Exeter) • <i>From inter-isle cables to offshore wind farms: distributional, procedural and recognitional aspects of a just transition to renewables for the fishing industry</i> Inne Withouck (University of the Highlands & Islands) • <i>The Layered Meanings of the Goodwin Sands – How spatial meanings collide in social marine space</i> Kathryn Collins (Newcastle University) • Panel Q&A
11:15-12:00	Coffee break and networking

Day 2 continued overleaf...

12:00-13:00	<p>Session 2: Building tools to support management</p> <ul style="list-style-type: none"> • <i>Exploring the ecosystem consequences of changes in exploitation</i> Gustav Delius (York University) • <i>What's that got to do with the price of fish? Valuing the impacts of the North Sea sandeel fishery to show how natural capital accounting can help improve our seas</i> Jo Bayes (Natural England) • <i>Review of approaches for the assessment of marine Natural Capital in the context of UK marine environmental policy and management</i> Lauren Molloy (JNCC) • <i>Lessons from the development of the applied marine natural capital approach</i> Sian Rees (Plymouth University) • Panel Q&A
13:00-14:30	<p>Extended lunch and networking Poster session 14:00-14:30 (for titles and providers, see end of document)</p>
14:30-15:40	<p>Session 3: Designing interventions to support policy</p> <ul style="list-style-type: none"> • <i>Designing interventions to support sustainable fisheries</i> Silvia Ferrini (University of East Anglia) • <i>How legislation influences adaptive governance for English inshore marine conservation</i> George Hoppit (Bristol University) • <i>The Implications of a Biodiversity Beyond National Jurisdiction (BBNJ) Agreement for the UK Continental Shelf (UKCS) Beyond 200-nautical miles: Continuing Legal and Policy Uncertainties in the Conjunction of High Seas and Continental Shelf Regimes</i> David Ong (Nottingham Trent University) • <i>The Local Government Ocean Recovery Declaration</i> Pamela Buchan (University of Exeter) & Nicola Bridge (Ocean Conservation Trust) • <i>Managing marine resources sustainably – defining and quantifying footprints of activities, pressures, effects and management responses</i> Mike Elliott (Hull University) • Panel Q&A
15:40-15:50	<p>An introduction to the SMMR Centre for Doctoral Training Louisa Evans (University of Exeter)</p>
15:50-16:00	<p>Wrap up of Day 2</p>
16:00-18:00	<p>Informal drinks and networking</p>

Wednesday 11th May

Project workshops

- Throughout the day, the six SMMR-funded project teams will be running concurrent workshops.
- Some workshops are invitation-only, and others will require sign-up via the Whova platform.
- See below for the timings and topics of each workshop, and please visit the Whova Event Hub for more information.
- Please note that lunch will be available between 12:00-13:00, and teas and coffees will be available throughout the day.

08:30-15:30	Situating the Resilience-Wellbeing-Sustainability Nexus [INVITATION ONLY] Louisa Evans (University of Exeter)
09:00-12:00	Transdisciplinary use of coastal data [OPEN] Laurent Amoudry (National Oceanography Centre)
09:00-12:30	09:00-10:30 Pyramids of Life team meeting [INVITATION ONLY] 10:30-12:30 Behavioural change workshop [OPEN] Jon Pitchford (York University)
09:00-16:00	Mapping Marine Spatial Planning Networks for 4 Case Study Areas [INVITATION ONLY] Gina Reinhardt (University of Essex)
10:30-15:00	ReSOW: bedding in 'CEEDS' [INVITATION ONLY] Claire Evans (National Oceanography Centre)
14:00-16:00	Quest - A Digital Storytelling Scavenger Hunt [OPEN] Erika Hughes (University of Portsmouth)
17:00	Conference ends

Poster session - Tuesday 14:00-14:30

Titles and providers

Man-made structures and North Sea ecosystem: Ecological implications of their decommissioning strategies Zelin Chen (University of Essex)
Leveraging private sector capital for blue carbon ecosystem financing Nata Tavonvunchai (Plymouth University)
How current generation Marine Spatial Plans are conceptualising social impacts Gina Reinhardt (University of Essex)
Environmental impacts on northern marine food webs across spatial and temporal scales Amy Shurety (University of Essex)
What are heritage values? Integrating natural and cultural heritage into environmental valuation Elaine Azzopardi (York University)
Intertidal biofilms and multiple stressors: Insidious interactions James Rimmer (University of St Andrews)
